ಶ್ರೀ ಕಡಿದಾಳ್ ಮಂಜಪ್ಪ.—ಪ್ರಮೋಷ್ಣ ಕೋಮುಹಿರಾ ರೇಷಿಯೋ ಆಧಾರದ ಮೇಲೆ ಮಾಡ ಬೇಕೆಂದರೆ ಆ ರೀತಿ ಮಾಡುವುದಕ್ಕಾಗುವುದಿಲ್ಲ.

ಶ್ರೀ ವೆಂ. ಎಂ ಚಂದ್ರಶೇಖರಯ್ಯ.—ಇದು ವಿಶ್ವ ವಿದ್ಯಾನಿಲಯಕ್ಕೂ ಅನ್ವಯಿಸುತ್ತದೆಯೆ ?

ಶ್ರೀ ಕೆ. ಹನುಮಂತಯ್ಯ.—ಅದನ್ನು ಯೋಚನೆ ಮಾಡಿ ಹೇಳಬೇಕು.

Chemical Industries (Survey.)

Q.—48. Sri B. NARAYANASWAMY (Mysore South).—

Will the Government be pleased to state :—

whether any action has been taken to make a survey of private small-scale chemical industries in the State, if so, the number of industries and the condition of these industries ?

A.—Sri H. SIDDAVEERAPPA (Minister for Home and Industries).—

No.

Sri B. NARAYANASWAMY.—In reply to my question, a grand NO has been answered. I cannot understand how the Government or the Department is not aware of these industries.

Sri H. SIDDAVEERAPPA.—I did not hear the Hon'ble Member.

Sri B. NARAYANASWAMY.—In reply to my question, you have given a grand NO. Am I to understand that the Department is not aware of these industries ?

Sri H. SIDDAVEERAPPA. The Department is aware of the industries. But they did not know what exactly the definition of small-scale chemical industry is.

Sri B. NARAYANASWAMY.—At least, do they know the definition of chemical industries ?

Sri H. SIDDAVEERAPPA.—Yes.

Mr. SPEAKER.—You need not go into all that. It is only a question that has to be put.

Sri B. NARAYANASWAMY.—At least, will Government let me know whether the department have collected any statistics regarding small-scale industries ?

Sri H. SIDDAVEERAPPA.—As I have already said, I was not able to follow what exactly the Hon'ble Member meant by small-scale chemical industry in the State. If the Hon'ble Member lets me know what exactly he wants, I shall be able to collect the information and see what can be done in the matter.

Sri B. NARAYANASWAMY.—Are Government aware that in the cities of Mysore and Bangalore, manufacture of inks, soap, phenyle and these lower compositions—all these are manufactured on a small scale, more like cottage or home industries, including perfumery ? These are chemical industries which are run on small scale. It is really surprising that Government . . . .

Mr. SPEAKER.—You are arguing the question. You are wasting the time of the House in arguments.

Sri B. NARAYANASWAMY.—I am extremely sorry, Sir. I thought Government knew what small-scale chemical industry is. . . . .

Sri K. HANUMANTHAIYA.—During the question-hour, I am surprised to find Hon'ble Members making comments instead of seeking information.

Sri B. NARAYANASWAMY.—I have sought information and no information is given.

Weights and Measures (steps to regulate).

Q.—177. Sri A. V. NARASIMHA REDDY (Bangalore South).—

Will the Government be pleased to state :—

(*a*) the steps that they have taken to regulate the weights and measures in the State ;

(*b*) whether they have passed orders to use only *chintal* for weighing the articles by the merchants ;

(*c*) if so, when ?

A.—Sri H. SIDDAVEERAPPA (Minister for Home and Industries).—

(*a*) The Mysore Weights and Measures Act, 1902, has been extended to the entire State with effect from 1st October 1954 and a Draft Bill for amending this Act so as to exercise more effective regulation is being placed before the Legislature.
